WEB-ENABLED CASE MANAGEMENT SYSTEM

Our clients and their candidates have 24/7 access to detailed case status and checklists and real-time reporting from any web browser. The 128-bit encrypted, SQL driven INSZoom technology platform allows each candidate to have their own unique ID as well as providing for integrated reporting to our clients and their internal teams. Our system reduces confusion for the candidates and provides measurable step-goals within your recruitment efforts. Best of all, it seamlessly integrates with your current web recruiting efforts and can be branded as your own.

ACCESS TO A DEDICATED TEAM OF LEGAL PROFESSIONALS

Our client-partners have complete access to an experienced and dedicated team of legal professionals who focus on healthcare immigration. Team members have published articles in *The International Journal of Nursing Practice*, *The Journal of Nursing Law*, *Irish Nurse Magazine*, *Healthcare and Immigration News Journal*, *International Journal of Nursing*, and the *American Health Lawyers Association*. The firm produces the leading healthcare immigration monthly eZine, the *Monthly Medical Monitor*. We also recently published a handbook for our client-partners titled *Crossing the Border: Handbook for the Recruitment of Canadian Healthcare Workers into the U.S.*

TN VOYAGE™

All of the services included in TNPlus™ with recruitment event management services.

We host your recruiting events in our downtown Toronto training/conference facility and staff each event with one or more of our legal professionals. Your candidate's documentation and licensure process can be initiated during the event, questions can be answered before they become an issue for you, and your new hires leave with a better understanding of how the process will work for them.

YOUR NEW TORONTO OFFICE IS NOW OPEN

Our client-partners have complete access to a neutral, on-demand conference and training center situated in the heart of downtown Toronto, Ontario. Not only can the space be used for your recruiting events, it can also double as an orientation or educational venue.

- Seating for 40 people
- Presentation Equipment
- Private Interview Room
- Computer Lab with High-Speed WiFi
